Preface to the 2025–26 Edition of the Statistical Book of the Confessional Lutheran Church of Chile

From the Director of the Lutheran Bible Institute:

The *Statistical Book* of the Confessional Lutheran Church of Chile has been created as a detailed historical record, designed specifically for pastors and members of the board of directors. It will be not only a valuable organizing tool but will also make it easier to access the reports and summaries of the church's divine services, offering data that support pastoral and administrative work.

This book is particularly useful for pastors and treasurers, allowing the management and analysis of relevant information such as member attendance, offerings, baptisms, confirmations, divine services and pastoral visits. Gathering these data makes it possible to answer questions such as: What percentage of confirmed members attend regularly? In which periods is participation greatest?

With the central aim of supporting the mission of preaching Christ crucified, the content follows the liturgical calendar, reflecting the life and ministry of Christ as the revelation of the Father's love. These organized and analyzed data help us understand the church's dynamics better and improve decision-making for the benefit of the congregation and the mission.

We especially thank Rev. Pablo González for his dedication to this task. May this book be a great help and blessing to the pastors and the board of directors in their work of service.

Rev. Juan P. Lanterna

From the Bishop-President of the ILC-Chile:

From the Confessional Lutheran Church of Chile we want to encourage every congregation and mission to keep the statistical books for the historical archive of our churches. In addition, we joyfully make this resource available to other sister churches in the region, so that they may make use of it.

Rev. G. Omar Kinas

From the editor:

New this year, we are adding spaces to record some of the feasts and festivals of our church, such as the commemoration of the Martyrdom of St. John the Baptist; the Day of St. Luke, the Evangelist; the Day of the Visitation, among others. The cover image shows the altar of the first Lutheran Divine Service in the city of La Serena (in northern Chile) on August 31, 2025.

Rev. Pablo D. González

THE PURPOSE OF THE LUTHERAN LITURGY

"...the Mass is retained among us, and celebrated with the highest reverence. ... For ceremonies are needed ... what they need to know of Christ."

(Augsburg Confession, Art. XXIV · Triglotta, 1921).

"At the outset we must again make the preliminary statement that we do not abolish the Mass, but religiously maintain and defend it. For among us masses are celebrated every Lord's Day and on the other festivals, in which the Sacrament is offered to those who wish to use it, after they have been examined and absolved. And the usual public ceremonies are observed, the series of lessons, of prayers, vestments, and other like things."

(Apology of the Augsburg Confession, Art. XXIV · Triglotta, 1921).

Unknown author (1561). *Martin Luther preaching to the faithful*. Altarpiece of Torslunde Church, Denmark.

JESUS USES THE LECTIONARY (Luke 4:16-22a):

¹⁶ And he came to Nazareth, where he had been brought up: and, as his custom was, he went into the synagogue on the sabbath day, and stood up to read. ¹⁷ And there was delivered to him the book of the prophet Isaiah. And when he had opened the book, he found the place where it was written,

¹⁸ The Spirit of the Lord is upon me, because he has anointed me to preach the gospel to the poor; he has sent me to heal the brokenhearted, to preach deliverance to the captives, and recovering of sight to the blind, to set at liberty them that are bruised, ¹⁹ To preach the acceptable year of the Lord.

²⁰ And he closed the book, and he gave it again to the minister, and sat down. And the eyes of all who were in the synagogue were fastened on him. ²¹ And he began to say to them, **This day this scripture is fulfilled in your ears.** ²² And all bore him witness, and wondered at the gracious words which proceeded out of his mouth...
